Dear Hiring Manager,

I am excited to be applying for the Database Administrator, Junior position at Linamar Corporation. With a passion for coding and a proven track record of developing innovative software solutions, I am confident that my skills and experience will make me an ideal candidate for this role. I am thrilled at the opportunity to show off my technical expertise and leadership skills as part of your team.

I will be graduating from the Computer Programmer-Analyst program at George Brown College in April 2025. Over the course of my studies, I acquired a variety of extra-curricular achievements and reached many milestones while maintaining consistent academic excellence. I also had the opportunity to work as a tutor and teacher assistant, where I totalized more than 250 hours of tutoring, actively helping hundreds of students to succeed in their studies and projects. This experience allowed me to hone my communication and leadership skills while helping students grasp complex concepts in computer science and IT. I also took the role of project lead in many of the projects that The ABC Clinic Management System is a database-driven application that streamlines patient management, appointment scheduling, billing, and medical records. It ensures secure data storage, quick retrieval, and smooth operations across Dev, Test, and Production environments. The system integrates with SQL Server for data management, and administrators can track changes, manage users, and generate reports efficiently.

I am a diligent, teamwork-oriented developer with strong communication skills and a constant desire to learn, enabling me to interact with my colleagues and clients effectively and design innovative solutions to problems I encounter. I would be delighted to use all of my qualities and skills for the benefit of your company. You can find a list of projects that I have previously completed on my [GitHub](#) and my [LinkedIn](#).

Thank you for your time and consideration. You can reach me through the following phone number 416-825-1911 or at henil.patel@georgebrown.ca.

Sincerely,

Henil Patel
